Sir,

Reference: G.O.No.300 P.H., dated 9-2-1933.

--

In my letter to Government Ref. 1141-15 Hospitals dated 14-11-1932 I have included Subsidised Rural Dispensary at Kaup under the Udipi Taluk Board in the list of Subsidised Rural Dispensaries which were not working well, and recommended it to be abolished as a measure of retrenchment on the ground that the daily average number of patients treated at the dispensary viz., 9.50 is below 12. This was a mistake. The opening of the Subsidised dispensary at Kaup was sanctioned in G.O.No.2123 P.H., dated

1-9-30 and the Dispensary was opened on 14-2-31. The District Medical Officer, South Kanara whose remarks were called for as to the closing of Subsidised Rural dispensaries if any in the District as a measure of retrenchment in view of poor attendance reported on 15-8-31 that the dispensaries opened in 1931 and other dispensaries which were not working well might be closed. The daily average attendance of patients treated at the Subsidised Rural Dispensary, Kaup during 1931 was 20.36 and not 9.50 as shown by oversight in the list forwarded with this office Ref.1141-15 H. dated 14-11-1932. As the daily average attendance was more than 12, I request that Government will be pleased to delete the Subsidised Rural Dispensary, Kaup from the list of Subsidised Rural dispensaries ordered to be closed vide annexure to G.O.No. 300 P.H., dated 9-2-33.

(G)

In G.O No. 300 P.H. 9-2-33, the rural dispensary at Kampi under the Udipi Taluk Board, South Kanara District was one of the rural dispensaries ordered to be closed, on the ground that it had having a daily average attendance of less than 12. The Surgeon General now reports that the dispensary was opened only in 1931 and that the daily average attendance during that year ~~1931~~ was 20.36 and not 9.50 as previously reported by him. He ~~accordingly~~ recommends ~~Considers therefore~~ Therefore That the rural dispensary ~~at Kampi~~ may be ~~allowed to work~~. The ~~deleted from the list of~~ retained.
